TERMS AND CONDITIONS

Camping

Council has designated the bush campgrounds as locations where camping is permitted. Camping in other locations on local government land or on any road is prohibited. It is also illegal to camp on any foreshore. Any person who camps in a non-authorised area or does not pay the appropriate fee prior to using the designated campground may be issued with a \$100 Expiation Notice.

Pursuant to Council's by laws, 'camping' includes setting up a camp, or causing a tent, caravan or motor home to remain on the land for the purpose of staying overnight, whether or not any person is in attendance or sleeps on the land. After camping on any of the designated camping reserves for a period of six consecutive weeks, you are unable to camp on any designated camping reserve until a further four consecutive weeks has expired. Council may give an extension to this clause upon application by a permit holder.

Dogs

Dogs are permitted on the camping grounds but must be kept under effective control at all times.

Your dog is considered to be under effective control if it is on a leash not exceeding 2 metres in length. Or, if it is off leash - it must be in the campground (including foreshore); it must be visible at all times (cannot be walking behind you); it must be kept in close proximity; it must be able to be controlled under any circumstance; it must not run up to other people or animals; it must not attack, chase, harass or otherwise endanger the health of a person, animal or bird (whether or not actual injury is caused).

If your dog is not under effective control you may receive a \$210 on the spot fine for 'dog wandering at large'.

Campfires

Campfires are only permitted in designated camping areas, outside of the fire season. The camping locations are all part of the Yorke Peninsula Fire ban district. Check the CFS website for fire ban updates - www.cfs.sa.gov.au

During the fire danger season a campfire is not permitted. Failure to comply may result in a \$315 Expiation Notice.

It is illegal to take wood from a roadside or reserve for campfire use.

Rubbish

Please take all of your rubbish with you or use rubbish bins where provided. Leaving any type of rubbish at your camp site may result in an Expiation Notice being issued, with a maximum fee of \$1,000.

Noise

All bush camping sites are family friendly campgrounds and during your stay there will be others occupying the same area. Please apply common courtesy by ensuring noise is kept to an acceptable standard and consider others during your stay.

Yorke Peninsula Council has designated 19 different sites on the Peninsula as bush camp grounds.

Campsites are found in secluded bush and mallee areas overlooking the ocean. Most have a stunning long white sandy beach within walking distance of your camp. Access to camp grounds is via gravel roads, accessible by conventional vehicles with care.

A permit is needed for each vehicle staying at these camp grounds. The permit is transferrable between all 19 sites, allowing you to move around the Peninsula and experience our spectacular coastlines and magnificent beaches.

The permit can be purchased online at www.visityorkepeninsula.com.au/camping or by phoning 1800 202 445.

See inside fold for map of camp ground locations.
